**IMPORTANT REMINDERS WHEN ORDERING BROCHURES:**

- In an effort to reduce costs, suppliers are now limiting the number of printed brochures sent to travel agencies. Suppliers are recommending using their ebrochures for your clients. Disney, Carnival Cruise Lines, Princess and Royal Caribbean all offer ebrochures.
- If you need to request printed brochures from suppliers - please order only the quantity that your agency will be using.
- To save your shipping costs, ask if the supplier will send the brochures or other marketing materials to you at your address. Do not change our agency's address on file with the supplier. Brochures and marketing materials are very costly for suppliers, please use them wisely. Thank you for your assistance.
